Helping you achieve Your future goals

NunatuKavut and Labrador Aboriginal Training Partnership are hosting information sessions in the locations listed below (other partners include Nunacor & Advance Education and Skills).

The sessions will be informative and connect you with resources that are available. Topics at the session include:

- Careers in high demand
- Current & future training
- Deadlines & application for training and program funding
- Overview of a new tool that will be used to connect you with employers in various industries such as mining, construction, and mega projects including Muskrat Falls.

FREE session & Refreshments Provided

A NEW TOOL to match your skills with Companies who are Hiring.

Have you completed a Labour Force Survey with Labrador Aboriginal Training Partnership?

Why complete this survey/profile?

- Partners in this project can match your skills/experience with jobs advertised
- Profile will determine best times to offer training for re-certification & license renewal
- Companies considering a location to establish will see there is a skilled labour force in your region - a key factor in the decision making process.

Surveys/profiles can be completed over the phone or if you prefer one can be mailed to you in a pre-paid return envelope. Please call 1- 888- 949 -0552 to set up a call or request a mail out.
